ABOUT ME

Student of BS in Informatics Engineering at the Faculty of Informatics of the University of the Basque Country (UPV/EHU). Speciality in Software Engineering. My interests include Programming, Web Development, Software Engineering and Machine Learning.

EDUCATION AND TRAINING

Degree in Informatics Engineering

University of the Basque Country [2017 - Current]

Course in Neural Networks with Keras and Scikit-Learn

Platzi [10/2020]

Course in Applied Machine Learning with Python

Platzi [10/2020]

Course in Mobile Apps Development

Complutense University of Madrid [01/2020]

LANGUAGE SKILLS

Mother tongue(s):

Basque (C1), **Spanish**

Other language(s): **English (C1)**

DIGITAL SKILLS

Programming Languages

Python / Java / JavaScript / PHP / SQL

Web Development

HTML / CSS / Bootstrap / Hugo / Drupal / Django

Software Engineering

Requirements / Design / Git / Develop / GitHub / Test / Methodologies / Source Control

Machine Learning

Classification / Regression / Neural Networks / Scikit-Learn / Tensorflow / PyTorch
